

Sparsh - CHSS Android App

❖ Features

The Android application helps the serving and retired employees of VSSC and their CHSS beneficiaries to

- ✓ Locate address and phone numbers of all the medical facilities under CHSS (Google maps).
- ✓ Activate phone calls.
- ✓ The app also provides ISRO GUEST HOUSE Phone and FAX No for booking purpose.
- ✓ Feedback module to rate user experience.

❖ Download prerequisite

User must register their mobile number in VSSC SMS GATEWAY (if not registered already).
For new registration

- ✓ **ASHOKA** → **Web Applications** → **SMS Gateway**

❖ Web Link for App Download

1. Please visit the VSSC Internet Site "<http://www.vssc.gov.in>" and click the Mobile Apps tab at:
VSSC Internet Site → **Mobile Apps**
 2. Visit the login link: <http://seminar.vssc.gov.in:8080/AndroidWeb/login> provided on that page
or
Use scanner apps like QR Code Reader, to scan below **QR code** to access the above link
- 
3. In the login page, enter your employee ID and click on Generate OTP button.
 4. Enter the OTP received by SMS on your registered mobile number and click on submit button.
 5. Next, click the "[Click to Download App](#)" link in order to download the app (apk file format) to your mobile.
 6. **Note: Please follow instructions at Login page for installation of app manually inside your phone.**
