6	Why the tender inquiries were sent to non-accredited vendors when adequate accredited vendors are available for the final closure?	Tendering was done during the training period. All industries enabled and accredited for Fabrication & Testing of TTCP packages are planned to be enabled for final inspection & QC closure. Final closure is an incremental work and parties who are fabricating packages are identified to do final inspection and closure after training.
7	Is the purchase clause applicable to non-accredited vendors submitting quotes like "enclosing consent letter for final closure from accredited vendors" included in the purchase enquiry? If not, why?	No. Since all vendors accredited for package fabrication and testing are getting trained in final inspection and closure, this clause was not included.

महोदय/Sir,

विषय: आरटीआइ अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your RTI application No. VSSCI/R/E/22/00155 dated 11.12.2022 (received in this office on 12.12.2022) seeking information related to LTC excess claim recovery from retired employees.

It is noted that you had previously filed an RTI application No. VSSCI/R/E/22/00052 dated 07.03.2022 seeking the details related to LTC availed by VSSC employees and recovery of excess claim from retired employees. Against the RTI application, CPIO vide letter dated 25.08.2022 informed you that the sought information is scattered in different files and you were advised to visit VSSC and inspect the relevant documents. Not satisfied with the reply furnished by the CPIO you had filed an appeal dated 19.04.2022 and FAA vide proceedings dated 09.06.2022 disposed the appeal by providing information against query No.1 and 8 of the RTI application. It was also advised therein to avail the opportunity of inspection of documents for remaining information. However, you have not availed the opportunity for inspection but has now filed another RTI application dated 11.12.2022 seeking information on the same subject.

It is also observed that you are filing repeated applications on a particular subject seeking pieces of information. In this context your attention is invited to the CIC decision dated 25.06.2014, where in the Hon'ble CIC viewed that the universal principles of civil justice recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial.

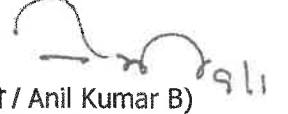

In view of the above decision, the information is not disseminated.

Laser sources, UHV chamber, Optical systems , Data acquisition systems and other allied systems which are basically required for a cold atom laboratory set up are available. Navigation system development is possible only after realization of a portable quantum sensor.
4	Are startups allowed to access/use the cold atom facility and if so are this to be done via IN-SPACe ?	The activity is purely for R&D at IISU and hence the facility sharing is not envisaged.
5	Is ISRO considering a program for the use of the PSLV orbital experimental module (POEM) or a sounding rocket platform for the study of Bose-Einstein Condensates (BEC), interferometry and / or other quantum phenomena?	Not planned as of now.

6	Is ISRO/IISU involved in the development of quantum computing technologies, either independently or through collaboration and if so, are there specific areas of technology where IISU is offering its expertise and what are they?	No, IISU is not involved in the Quantum Computing Technologies.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में

Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/23/00164 dated 17.08.2023 seeking information under RTI Act, 2005.

In this connection, it is observed that you had previously filed an RTI application VSSCI/R/E/23/00130 dated 15.07.2023 seeking information related to the Post of Scientist/Engineer-SC, Advt.No.VSSC-313, Post: Scientist//Engineer-SC Post Code: 1460,1461,1462. Accordingly, the public authority has disseminated the available information vide letter dated 10.08.2023. You have again filed the present application dated 17.08.2023 seeking the information related to the Post of Scientist/Engineer-SC, Advt.No.VSSC-313, Post: Scientist/Engineer-SC Post Code: 1460,1461,1462 .

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

सितंबर/ September 22, 2023

Madam/महोदया,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/23/00186 dated 13.09.2023 seeking information under RTI Act, 2005.

In this connection, it is observed that you had previously filed an RTI application VSSCI/R/E/23/00125 dated 14.07.2023 seeking information related to all teaching staff employed and the number of vacant posts of TGTs and PGTs (subject wise) in VSSC Central School, Thiruvananthapuram. Accordingly, the public authority disseminated the sought information vide letter dated 10.08.2023. You have again filed the present application dated 13.09.2023 seeking information related to vacant teaching posts (subject wise), recruitment rules and their reservation in VSSC Central School.

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever-available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

विक्रम साराभाई अंतरिक्ष केंद्र का प्रथम अपील प्राधिकारी श्री. मनोज सी, मुख्य नियंत्रक, वीएसएससी, इसरो पीओ, तिरुवनंतपुरम, 695022, फोन नं: 0471 2565882, ई-मेल:faa_rti@vssc.gov.in है। अपील, यदि कोई हो तो, सूचनाधिकार अधिनियम की धारा 19(1) के अधीन इस पत्र की प्राप्ति से लेकर 30 दिनों के अंदर उसे भेजें।

The First Appellate Authority of Vikram Sarabhai Space Centre is Sri. Manoj C, Chief Controller, VSSC, ISRO PO, Thiruvananthapuram – 695 022, Phone No. 0471 2565882, E-mail:faa_rti@vssc.gov.in. Appeal, if any, may be preferred within 30 days from the date of receipt of this letter under section 19(1) of the RTI Act.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में

Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/23/00196 dated 23.09.2023 seeking information under RTI Act, 2005.

In this connection, it is observed that you had previously filed RTI application VSSCI/R/E/23/00142 dated 26.07.2023 seeking information related to Advt. No.VSSC -327 dated 01.07.2023. Through the RTI application you had sought the number of candidates applied against various post codes (1518, 1503 to 1512 & 1513 to 1520) mentioned therein the advertisement and the tentative date of examination. Subsequently, CPIO vide letter dated 17.08.2023 disseminated the available information. You have again filed the present application dated 23.09.2023 seeking information related to the post code 1518 which was sought earlier.

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever-available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

Moreover, the applicant may refer the condition stipulated in the particular advertisement that "No interim correspondence will be entertained" during the recruitment process.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application(S) No. VSSCI/R/E/23/00227 dated 26.10.2023 VSSCI/R/E/23/00228 dated 30.10.2023 (received in this office on 27.10.2023 & 31.10.2023 respectively) seeking information under RTI Act, 2005.

On perusal of your first RTI application, it is observed that you had filed the RTI application (seeking information related to an Advt.No.311 (Technician-B, Fitter) issued by VSSC) before this Public Authority without remitting the prescribed fee by opting the status on the web portal as "requester is below poverty line". Subsequently, APIO,VSSC vide e-mail dated 30.10.2023 informed you to submit a copy of the concerned page indicating your name in the Ration Card for further processing the application under RTI Act, 2005. In response to the same, you have sent the copy of the concerned page indicating your name and filed another RTI application seeking the same information before this Public Authority.

In this connection, it is observed that you had previously filed 2 RTI application(s) No.VSSCI/R/E/23/00218 dated 12.10.2023 & VSSCI/R/E/23/00220 dated 13.10.2023-seeking information related to ADVT. No. 324 & 311 (Technician-B, Fitter). Accordingly, the public authority disseminated the sought information vide letter dated 20.10.2023. You have again filed the present applications referred at Para.1 seeking information related to Advt. No.311 (Technician-B, Fitter).

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever-available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/23/00234 dated 08.11.2023 (received in this office on 13.11.2023) seeking information, under RTI Act, 2005.

In this connection, it is observed that you had previously filed an RTI application No.VSSCI/R/E/23/00188 dated 13.09.2023, seeking information related to ADVT. No. 323 & 324, issued by VSSC. Through the said application, you had asked the reasons for not releasing the answer keys of the Written Test and requested to conduct re-test. The Public Authority disposed the RTI application vide letter dated 27.03.2023 informing you that the sought information is not coming under the purview of definition of information as per Section 2(f) of the RTI Act, 2005. Subsequently, you have filed the present application dated 08.11.2023 seeking information related to Advertisement No. 323.

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever-available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/24/00028 dated 23.01.2024 (received in this office on 24.01.2024) seeking information under RTI Act, 2005.

In this connection, it is observed that you had previously filed two RTI application No(s). VSSCI/R/T/23/00017 & No.VSSCI/R/X/23/00005 both dated 04.10.2023 (received in this office by transfer from ISRO HQ on 04.10.2023) seeking information related to recruitment of Jr. Personal Assistant (Ref: ISRO HQ: ICRB:02:2018 dated 10.04.2018). Accordingly, the public authority has disseminated the available information vide letter dated 16.10.2023. You have again filed the present application dated 23.01.2024 seeking the information related to the recruitment of Jr. Personal Assistant.

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated. Further, it may also be noted that the last recruitment for the post of Jr. Personal Assistant was done against the notification dated 10.04.2018 as referred above.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/24/00035 dated 02.02.2024 (received in this office on 02.02.2024) seeking information under RTI Act, 2005.

In this connection, it is observed that you had previously filed an RTI application No. VSSCI/R/E/23/00258 dated 30.12.2023 seeking information related to Special Review for the post of Scientist/Engineer-SC. Accordingly, the public authority has disseminated the available information vide letter dated 24.01.2024 and advised you to remit an amount of Rs.42/- as cost of information for furnishing information against query No.4 of the RTI application. On receipt of the requisite fee, CPIO disseminated the remaining information against query No.4 vide letter dated 24.01.2024. However, you have again filed the present RTI application dated 02.02.2024 seeking information related to the Special Review of Scientist/Engineer-SC.

As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

मार्च/ March 13, 2024

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/24/00056 dated 13.02.2024 (received in this office on 14.02.2024) seeking information under RTI Act, 2005.

2. In this connection, it is observed that you had previously filed two RTI applications (No. VSSCI/R/E/23/00245 dated 29.11.2023 & VSSCI/R/T/23/00022 dated 05.12.2023) received in this office on 30.11.2023 & 06.12.2023 respectively seeking information related to CISF matters in VSSC. Accordingly, the public authority has disseminated the available information vide letter dated 19.12.2023. However, you have again filed the present RTI application dated 13.02.2024 seeking information related to CISF at VSSC.

3. As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial.

4. Further, the attention of the applicant also invited to Sec-24, of the RTI Act, 2005 such that the information pertains to intelligence and security organizations specified in the Second Schedule of the act and is exempted from disclosure. In view of the above fact and as per the decision of CIC referred at Para. No.2, the requested information is not disseminated.

Sir/महोदय,

विषय: आरटीआई अधिनियम-2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act-2005 - Reg.

Please refer to your application No. VSSCI/R/E/24/00079 dated 28.02.2024 (received in this office on 29.02.2024) seeking information under RTI Act, 2005.

2. In this connection, it is observed that you had previously filed an RTI application No. VSSCI/R/E/23/00027 dated 22.01.2024, seeking information related to Tender No. VSSC/Purchase Unit II (AVN) VS 20230000289501 (GOCO MODE). On perusal of the application, it is understood that the queries are related to Tender No. VSSC/Purchase Unit-II (AVN), VS 202300289501 but the Tender Number furnished by the applicant in his application is incorrect. On receipt of the information from the Custodian of records, CPIO vide letter dated 19.02.2024 disseminated the available information except query No.7 of the application. Further, CPIO vide letter dated 26.02.2024 informed you that the information sought against query No.7 of the RTI application is available for inspection with the Public Authority. But you have not availed the opportunity till date.

3. However, you have again filed the present RTI application dated 28.02.2024 seeking information related to the same Tender Number, VSSC/Purchase Unit-II (AVN), VS 202300289501 (GOCO) referred at Para No.1.

4. As per CIC decision dated 25.06.2014, Hon'ble CIC viewed that the Universal principles of civil justice also recognized 'constructive res judicata' which in the RTI context means when an applicant uses an opportunity of obtaining information on a particular subject as per law, he is expected to seek all the related information in that first ever opportunity itself. He cannot file another application for a bit or piece which he forgot to ask, or advised by his lawyer, or for any other reason. He should ask all possible aspects of information about subject matter, in the first ever available opportunity. Even if he does not, it is presumed by law that he asked for that and was refused after due trial. In view of the above decision of CIC, the requested information is not disseminated.

विक्रम साराभाई अंतरिक्ष केन्द्र का प्रथम अपील प्राधिकारी श्री. मनोज सी, मुख्य नियंत्रक, वीएसएससी, इसरो पीओ, तिरुवनंतपुरम, 695022, फोन नं: 0471 2565882, ई-मेल: faa_rti@vssc.gov.in है। अपील, यदि कोई हो तो, सूचनाधिकार अधिनियम की धारा 19(1) के अधीन इस पत्र की प्राप्ति से लेकर 30 दिनों के अंदर उसे भेजें।
