OFFICE MEMORANDUM

In this Office Memorandum of even number dated Feb. 2, 1983 the procedure for the issue of advertisements and the obtaining of application forms has been laid down. In the context of the recruitments now being carried out by the Centres/Units and taking into account the experience in the recent past, it has been felt necessary to prescribe a Check List for processing the selection of candidates, so that the system becomes fool-proof thereby avoiding possibilities of any omission at any stage. Accordingly, a Check List has been drawn up (enclosed) incorporating the various points to be gone through at every stage of the recruitment process.

2. Directors of Centres/Unit Heads are requested to issue suitable directives to all concerned to take note of the check-items at different stages of the recruitment process and ensure its strict compliance by all concerned. While efforts have been made to cover all the relevant points, the list need not be taken as an exhaustive one and Centres/Units are free to introduce additional points, if they desire. However, while doing so, the ISRO HQ may also be kept informed, so that the same can be notified to other Centres/Units.

S.S. Viswanathan

Joint Secretary to Govt. of India

To
All Centre Directors/Unit Heads
Addl. Secretary, Dept. of Space
CC: All Controllers/Head, PGAs/
Deputy Secretary, DOS &

6) Note that the selection is valid for a period of one year initially from the date of its approval by the appointing authority (extendable by another Six months by the same Authority only; re-validation should be done before the initial validity of the selection expires).

OFFICE MEMORANDUM

Subject:- Performance Related Incentive Scheme (PRIS) - Individual Incentive - Grant of Variable Increments to Scientific & Technical personnel in DOS/ISRO.

The undersigned is directed to refer to this Department's OM No.29011/6/2008-Sec.V dated February 6, 2009 regarding introduction of Performance Related Incentive Scheme (PRIS) and to state that as a part of PRIS, the President is pleased to grant Individual Incentive in the form of Variable Increments, to deserving Scientific & Technical personnel of ISRO/DOS, covered under Merit Promotion Scheme, at the time of promotion, with effect from 1st January, 2009. The incentive is to be awarded in recognition of the talent exhibited by Scientists/Engineers and skills shown by the supporting S & T staff in realizing the organizational goals. Concerned Departmental Promotion Committee/Senior Staff Review Committee, after careful consideration of all important parameters like individual performance, significance of contribution of the employee during the aggregated period in the grade held, the total residency taken by an employee to earn the promotion etc. will also recommend the total number of Variable Increments as incentive while recommending the promotion. The Committees while recommending the incentive shall keep in mind the following general guidelines apart from other important parameters mentioned above:

I. Scientist/Engineers:

Sl. No.	Residency taken by an employee to earn promotion	No. of variable increments to be considered for award
1.	Ontime promotion or meritorious advancement	6
2.	Six months delay with reference to ontime	5
3.	Twelve months delay with reference to ontime	4
4.	Eighteen months delay with reference to ontime	3
5.	Twenty four months delay with reference to ontime	2

II. Supporting S & T staff:

Sl. No.	Residency taken by an employee to earn promotion	No. of variable increments to be considered for award
1.	Overtime promotion or meritorious advancement	3
2.	Six or Twelve months delay	2
3.	Eighteen or Twenty four months delay	1

- (i) The value of one increment at the time of promotion from a lower grade pay to the next higher grade pay is fixed and is indicated at Annexure to this Office Memorandum;
- (ii) The value of the incentive will be derived in each case by multiplying the number of Variable Increments awarded to the promotee by the value of the increment as indicated in Annexure;
- (iii) Value of variable increments so granted to Scientific & Technical personnel will be subject to a monetary ceiling of Rs.10,000/- (Rupees ten thousand only) per month;
- (iv) The value of Variable Increment(s) so granted to Scientific & Technical personnel is an incentive in recognition of merit and hence will not be counted as pay for any purpose like DA, HRA, Transport Allowance, Pay fixation on promotion, Pension, etc.;
- (v) The Variable Increment(s) so awarded to Scientific & Technical personnel will be specific to the grade of promotion. When such personnel are considered for promotion to the next grade, the concerned DPCs/Review Committees for that grade would once again determine the quantum of Variable Increments as per the procedure indicated above. The Variable Increment(s) awarded by the earlier DPCs/Review Committees will automatically stand(s) withdrawn; and
- (vi) In case any of the Scientific & Technical personnel in receipt of Variable Increment(s) fails to qualify during next review for promotion, including screening or absenteeism in the interview (s) for any reason, if any, to the next higher grade, the variable increment(s) granted to such personnel will be withdrawn in a tapered manner as under:-

- (a) The incentive increment of Scientist/Engineer will be brought down by two increments from the current level at each unsuccessful review; and

(b) The incentive increment of other S&T supporting staff will be brought down by one increment from the current level at each unsuccessful review.

2. Scientific & Technical personnel who were promoted prior to 1st January 2009 will also be awarded Variable Increment(s) in the same manner as stipulated above based on the results of their last review. The DPCs/Review Committee, including common review committees, which recommended the promotions will review the records and award the Variable Increment(s).

3. The award of Variable Increment(s) to Scientific & Technical personnel will be effective from 1st January 2009. However, withdrawal of Variable Increment(s) in a tapered manner as indicated in para (1)(vi) will be effective from 1st July 2009.

4. The expenditure involved in implementation of the above Scheme would be met from within the budget of the Department and debited to respective 'salary heads'.

5. Directors of Centres/Heads of Units are requested to take further necessary action in the matter.

6. Hindi version is enclosed.
